

Justiciability of ESR

Challenges

- *Implementation of the European Social Charter at national level, and not all countries ratified*
- *Amicus curiae needs enormous research to back up cases*
- *Challenge of interpreting the European Convention of Human Rights in line with other instruments*

Actions

- *Collective complaints before European Committee of Social Rights and European Economic and Social Committee*
- *Submission of Rule 9 communications, on implementation of judgments*
- *NHRI submission to constitutional and other courts*
- *Monitoring/providing evidence and data*

Proposals

- *Using strategic litigation and pilot cases*
- *Exploring concept of “human dignity” before courts*
- *Identifying principles on specific topics in view of courts case law (e.g. ENNHRI publication)*
- *Ensuring synergy between ENNHRI’s Economic, Social and Cultural Rights Working Group, Legal Working Group, and Asylum and Migration Working Group*
