

Small Group:

Labour Rights

Challenges

- *Regulation on the minimum wage*
- *AI and its interference on the labour market*
- *Employment opportunities for specific groups (disability, gender, migrants)*
- *No binding law on business and human rights*
- *Lack of monitoring system/enforcement for safety and labour - human trafficking, labour exploitation*

Actions

- *Common provision regulation (related to funds) -> ensuring that linkages are made*
- *Business and human rights - calling on business actors, not only states, for action*

Proposals

- *Providing shadows reports in relation to European Social Charter*
- *Prioritising labour safety*
- *Advocating for an European regulation*
- *Organising meeting (ENNHRI) to identify challenges and prioritise actions*
